SUFFOLK TRANSPORTATION SERVICE, INC

SUFFOLK BUS CORP.

APPRECIATION DAY: We hope you enjoyed the Appreciation Day events this past week. We recognized over 3,000 years of service! We appreciate the service you give to your ridership. While our celebration was scaled back again this year, our gratitude, and thanks for what all employees do each day, specifically these past few years, cannot be underscored. Transporting students and the public riders safely each day is no small feat! We are hoping to celebrate on a grander scale next year.

SUMMER WORK: Van drivers and DA's - there is still time to sign up for summer work. Signing up now saves the last-minute phone calls. Please note we call employees in reverse seniority order during the pick. You will have 2 hours to return our call. If we do not hear from you in that time frame, we will consider that a refusal to work and will challenge your unemployment insurance.

HOUSEKEEPING: To all drivers...if you have had a physical recently and received a letter from DMV stating your medical certificate is illegible, please forward a copy of this letter to Michelle Nardella at the Moffitt yard. Do not call. Your medical certificate will be resubmitted.

PROFILE UPDATING: Be sure to update your profile with your most recent contact information in MPS under "My Profile". Here you can update your address, phone number and email address.

SWIMMING LESSONS AT THE YMCA: Teach your children to swim! Vouchers are available on a limited basis for swimming lessons. If interested, contact Laura Dandrea by email only: ldandrea@suffolkbus.com

SAFETY ACTION CARD: Remember the SAC card on your mobile device in MY PARKING SPACE. It is easy to access...just click on "Notifications" and look for the tab at the bottom that says "S.A.C." Click on the tab and complete the information. Remember, you are another set of eyes that can help us ensure the safety of you and your passengers, whether it be an issue on your route or something in the yard. Thank you for putting safety first!
