SUFFOLK BUS CORP.

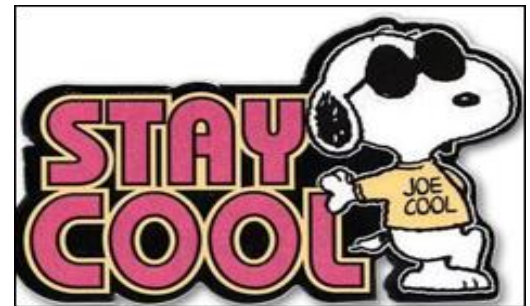

SHOUT OUT: We recently received the following email from the Comsewogue School District regarding large bus driver, Gerald Assetto...“The chaperone for our charter this past Friday afternoon said that the driver, Gerald Assetto, was absolutely wonderful. He was pleasant and helpful. He assisted with the large instruments and most importantly got everyone to rehearsal safely and on time. I am hoping that you can share this with the bus company. Our bus drivers do not get thanked often enough and we feel that it is important for him to know how much we appreciate his

professionalism.” We are proud to have Gerald on our team!
