SHOUT OUT: We received this commendation from the Principal at Loretta Park Elementary School in Brentwood - "Here at Loretta Park Elementary School we are thankful for ToniAnn DeRosa, driver on Large Bus #17. She has a young lady that truly tested her (and all of us) from the beginning of the year but through her perseverance and kind-heartedness, she has successfully developed a

relationship with this young lady and assisted us in helping her to overcome her school/morning phobia. In working closely with our building counseling staff and communicating closely with the family at the stop each day, she has truly made a difference in this young girl's life. On top of all of this, she has even presented her with rewards for overcoming her struggles. If only every driver made the effort to connect and care, we would all have easier, more comfortable days (kids and adults alike)." We are proud to have ToniAnn on our team!
